Dear Paul,

I have not had time before this to acknowledge the receipt of the \$10 you left when you were here. I make above a statement of your a/c, placing the \$10. to your credit amount showing the balance yet due. As to Mr. Detter's a/c, the only money I have ever paid him for you is the twenty dollars for which you gave him a written order on me. His other bills against you are not included in my account.

Give my kindest regards to all my old boys.

Your friend,

William Dinwiddie
